Prayer:

Continued protection from Covid-19 for our staff, volunteers and guests. It is less than three weeks before our Thanksgiving meal for the community. During these trying times we can no longer have 650-800 meals served inside our facility, but with ingenuity we feed many across the city of Kelowna with this great Thanksgiving meal. We have hired many new staff as we have been in flux around the Covid-19 protocols. Please pray for quick training and assimilation of these staff into their new roles. Primary new role: We are in charge of a motel with 9 Covid-19 beds available. We have to staff these places 24/7 to keep the exposed guests healthy and quarantined.

Praise:

The Emergency Shelters in Kelowna all suffered Covid-19 outbreaks. Staff in the different shelters were exposed and self-quarantined guests were quarantined and the outbreaks finally settled down. I know of no loss of life from this, nor complications for any Shelter's staff health. The business and golfers blessed us with our charity golf tournaments best fund raiser ever two weeks ago. Mike and Troy led the charge and did an excellent job.
