Steve & Barb Shantz - Missionaries with Trans World Radio - Dec 2020

Last year, Steve was named TWR Vice President of Digital Ministry. While he remains the VP for Latin America and the Caribbean, he had the difficult honour of choosing one of several talented national staff members to direct the day-to-day work in Latin America. Steve is now a rather rejuvenated leader back in technology. Although he loves the international team he's been working with, "you can take the tech person out of technology but you can't take the technology out of the tech person. He is delighted to take up the challenge of facilitating and stewarding the talent of a global pool of younger digital technologists. In the role of VP of Digital Ministry, Steve is focusing on further developing the tools TWR uses to engage those who connect to their content over the Internet. (twrcanada.org)
